

Easy Nest

+Halle®

Easy Nest

Easy Nest is an unenclosed but somewhat secluded seat. A clean cut, high back easy chair, functioning as a comfortable and heartfelt Nest for privacy and for profound conversations. The walls humbly embrace a widened seat, leaving plenty of space for pillows or blankets. Part of the Nest Collection.

Designed by Form Us With Love

Form Us With Love was founded in 2005 and since its conception, the studio has burned with a passion for design and its democratic potential. Its belief is that we all have a right to meaningful design. At the studio's core lies a process that blends traditional creative practices with a lean, strategic application. The central intention is to evolve with the needs of each project, its place in the market, and the ever-changing needs of real people.
