Nest Easy Chair with table

Easy Nest is an unenclosed but somewhat secluded seat. A clean cut, high back easy chair, functioning as a comfortable and heartfelt Nest for privacy and for profound conversations. The walls hum- bly embrace a widened seat, leaving plenty of space for pillows or blankets. Part of the Nest Collection.

With the additional table added, the functionality and versatility is taken a step further.

Design: Form Us With Love

Form Us With Love was founded in 2005 and since its conception, the studio has burned with a passion for design and its democratic potential. Its belief is that we all have a right to meaningful design.

At the studio's core lies a process that blends traditional creative practices with a lean, strategic application. The central intention is to evolve with the needs of each project, its place in the market and the ever-changing needs of real people.

Clarity of purpose

We believe that furniture should have clarity of purpose. This belief informs all of our work as we continue to explore and foster behavioural-led public spaces.
