Lotus Sofa

The design of the Lotus Sofa is based on the silhouette of the lotus position. The sophisticated design adds a simple and calm expression to the room and allows up to 3 persons a comfortable seat at the same time. The base in brushed stainless steel creates a smart contrast to the upholstered shell, and makes it a perfect match for any public space that needs a simple yet comfortable seating unit. Part of the Lotus family that also comprises the Lotus chairs and Lotus table.

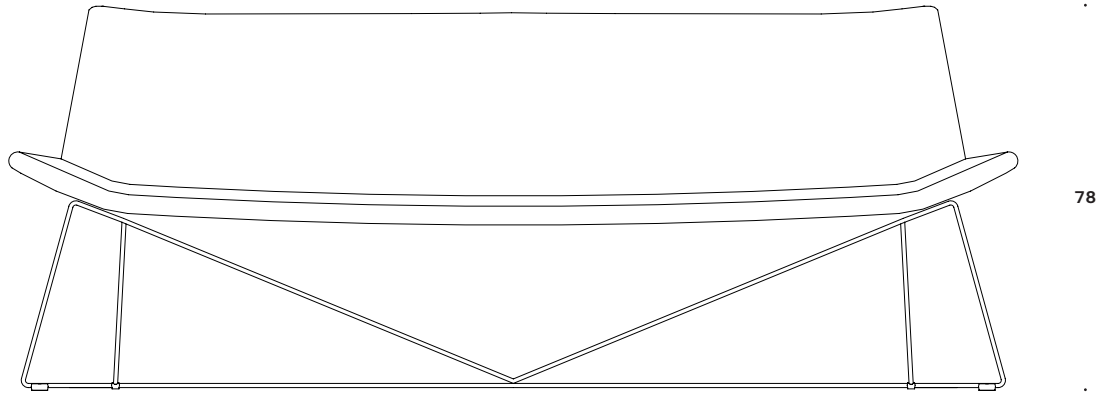

Designed by busk + hertzog

The Danish design duo was established in 2000 with a clear vision of being innovative and professional - but also with the aim of leading and inspiring a new generation of designers to further develop the Danish design legacy. The duo is located in Lisbon.
